CHANGE OF HOURS AT ARSHAG DICKRANIAN SCHOOL

Los Angeles, December 16, 2008 – The TCA Arshag Dickranian School Board of Trustees has long been in the process of modifying its Pre-Kindergarten and Kindergarten classrooms into a first rate all inclusive learning center. In the process, both classrooms were equipped with all the necessary educational materials and a separate recreational playground was built through the kind collaboration of Drs. Petros and Karine Taglyans. Having done all these, the board now takes pleasure to announce that, as of January 8, 2009, the Gulbenkian Pre-Kindergarten and the Noubar & Dickranouhi Kindergarten will add extended hours to their regular 8:00 a.m. – 3:00 p.m. schedules. Pupils in attendance will have the option to extend their hours from 3:00 p.m. to 6:00 p.m. allowing toddlers 2.5 years of age to enroll.
