Los Angeles, January 20, 2009 - The basketball team of the TCA Arshag Dickranian School won 3rd place in Division 6A of the Californian Interscholastic Federation (CIF) Tournament on January 2, 2010. The Dickranian Lions have been training for two years in order to participate in the CIF Tournament. "I am very happy and proud of our basketball team," said Mr. Rudolph Rameh, the Athletic Director of the school, "Our students have been training real hard and I am glad their hard work paid off by participating and winning third place in the tournament of their division."

The Dickranian Lions joined the CIF Tournament during the 2009 - 2010 scholastic year. Their achievement deserves special praise because the team won its standing by competing against high schools with student bodies more than tenfold that of Arshag Dickranian School.
