LINCY FOUNDATION DONATES \$150,000 TO T.C.A. ARSHAG DICKRANIAN ARMENIAN SCHOOL

Los Angeles, January 20, 2011 - In a letter dated December 14, 2010, The Lincy Foundation approved a contribution in the amount of \$150,000 to the Tekeyan Cultural Association Arshag Dickranian Armenian School, enclosing a check in full payment

The gift was received at the most opportune time when the school was winding up its activities of the year and the students were getting ready for their winter vacation.

“We are overjoyed and very grateful to the Board Members of The Lincy Foundation for responding to our grant applications in such a timely and generous manner“, said George K. Mandossian, chairman of the School Board of Trustees

The TCA Arshag Dickranian School has long been listed as a beneficiary of The Lincy Foundation’s diverse and exemplary benevolence throughout the United States and Armenia, its latest gift constituting the twelfth of such contributions.

Located at 1200 North Cahuenga Blvd., Los Angeles, the TCA Arshag Dickranian Armenian School is a federally tax exempt, Pre-K to 12th grade private educational institution. Visit www.dickranianschool.org for more information.
